Fenisi

SEMI-FRAMELESS SHOWER SCREENS

Fenisi

Fenisi shower screens provide a stylish, affordable solution for your new bathroom. The semi-frameless design is highly configurable and can be adjusted to any size to suit your space. The smooth, easy glide pivot door system provides seamless operation for years of satisfaction.

- 1** Adjustable Frame for custom sizes
Unique frame design allows adjustment for any space.
- 2** Grade 'A' toughened glass
AS/NZS 2208 compliant
Door & return panel 6mm clear toughened; fixed panel 5 mm clear toughened – silk screen compliance logo on glass.
- 3** High quality pivot hinges
Soft square shape; smooth, easy-glide operation.
Pivot door includes overlap of fixed panel for water sealing.
- 4** Magnetic closure & water seals
Full length magnetic door seal for rattle free closure and enhanced water seal. Bottom door seals also included.
- 5** Frameless door with round knob
Modern frameless 6 mm clear toughened door.
Solid door knob for durability (not chromed plastic).
- 6** Slimline strong aluminium frame
Frame with minimalist low profile framing system.
L-shape extrusion profile at door base minimises water escape.
- 7** Fully reversible door to suit your layout
Door can be installed left or right opening.
- 8** U channels allow flexibility during installation
If your walls are slightly out of square, the U channel design allows our installers to easily adjust to suit your space.
- 9** Install on tiles or shower bases

CORTANI[®]
INTERIORS

Rollo

SLIDING SHOWER SCREENS

Rollo

Rollo shower screens feature sliding doors in a fully framed or semi-frameless shower enclosure. The sliding door design is an excellent alternative to a swinging door, preventing water from dropping on to your bathroom floor. With no extra space requirement for the door to swing open, Rollo shower screens are well suited to bathrooms with limited space.

Cortani Interiors' extensive range of shower screens have been carefully curated to provide stylish, functional shower solutions for any bathroom design.

Our expert consultants can provide you with support and guidance to select a shower screen that suits your style, and your budget. Our range of Rollo shower screens are custom made right here in Australia and are installed by our expert technicians.

Framed screens feature a built-in door handle for a clean, minimal design.

Semi-frameless screens feature a flush fingerpull ring handle.

High quality ball bearing rollers and sturdy guides provide smooth sliding operation along a trackless sill. All sliding mechanisms are designed for maximum durability.

4 mm or 6 mm Toughened Glass (depending on model)

Fully Framed or Semi-Frameless (depending on model)

Sliding Doors

Frame Options

(Availability dependent on model)

Fully Framed

Semi-Frameless

Sliding doors enable easy access to the shower when space is limited, making them ideal for small bathrooms.

Raised sills along the base of the screen, and overlapping panels, reduce water splash.

Selection Tip

For correct pricing, select the size that applies to the widest side of your shower space. For example, if your shower space is 900 mm x 1200 mm wide, then the 1200 mm price will apply.

Fully Framed Screens

201 Rollo

Two Doors + Fixed Panel

- Two sliding doors
- Can be installed for left or right entry
- One fixed panel
- Mounts between walls
- 2000 mm high

Size (w) x (h) mm		
≤900 x 2000	201-90	\$849
1000 x 2000	201-100	\$899
1100 x 2000	201-110	\$949
1200 x 2000	201-120	\$999

Selection Tip

Thinner two door configurations (201, 202R, 203R) provide a wider entryway than the wider two door models.

202R Rollo

Two Doors with Return on Hob

- Two sliding doors
- Can be installed for left or right entry
- One fixed panel (front)
- One return panel on hob
- 2000 mm high

Size (w) x (h) mm		
≤900 x 2000	202R-90	\$1049
1000 x 2000	202R-100	\$1099
1100 x 2000	202R-110	\$1149
1200 x 2000	202R-120	\$1199

203R Rollo

Two Doors with Return

- Two sliding doors
- Can be installed for left or right entry
- One fixed panel (front)
- One return panel
- 2000 mm high

Size (w) x (h) mm		
≤900 x 2000	203R-90	\$1149
1000 x 2000	203R-100	\$1199
1100 x 2000	203R-110	\$1249
1200 x 2000	203R-120	\$1299

204 Rollo

Two Wide Doors

- Two wide sliding doors
- Enter from left or right side
- Mounts between walls
- 2000 mm high

Size (w) x (h) mm		
≤1000 x 2000	204-100	\$899
1100 x 2000	204-110	\$949
1200 x 2000	204-120	\$999
1300 x 2000	204-130	\$1049
1400 x 2000	204-140	\$1099

Selection Tip

Two wide door configurations allow the option of both left and right entry points.

205R Rollo

Two Wide Doors with Return on Hob

- Two wide sliding doors
- Enter from left or right side
- One return panel on hob
- 2000 mm high

Size (w) x (h) mm

≤1000 x 2000	205R-100	\$1199
1100 x 2000	205R-110	\$1249
1200 x 2000	205R-120	\$1299
1300 x 2000	205R-130	\$1349
1400 x 2000	205R-140	\$1399

206R Rollo

Two Wide Doors with Return

- Two wide sliding doors
- Enter from left or right side
- One return panel
- 2000 mm high

Size (w) x (h) mm

≤1000 x 2000	206R-100	\$1299
1100 x 2000	206R-110	\$1349
1200 x 2000	206R-120	\$1399
1300 x 2000	206R-130	\$1449
1400 x 2000	206R-140	\$1499

208 Rollo

Two Wide Bath Doors

- Two wide sliding doors
- Enter from left or right side
- Mounts on bath and between walls
- 1500 mm high

Size (w) x (h) mm

≤1400 x 1500	208-140	\$799
1500 x 1500	208-150	\$849
1600 x 1500	208-160	\$899
1700 x 1500	208-170	\$949
1800 x 1500	208-180	\$999

207R Rollo

Two Wide Bath Doors with Return

- Two wide sliding doors
- Enter from left or right side
- One return panel
- Mounts on bath
- 1500 mm high

Size (w) x (h) mm

≤1400 x 1500	207R-140	\$1049
1500 x 1500	207R-150	\$1149
1600 x 1500	207R-160	\$1249
1700 x 1500	207R-170	\$1349
1800 x 1500	207R-180	\$1449

Fully Framed Screens

CORTANI[®]
INTERIORS

Jade

SEMI-FRAMED SHOWER SCREENS

Jade

Jade shower screens have been architecturally designed with sleek lines and high performing, quality fixtures and finishes. Engineered for long lasting durability and seamless operation, the outward opening pivot doors are encased in a semi-framed shower enclosure. Choose from up to four finishes, three different types of glass, and numerous knob or handle options to create the ultimate shower design for your bathroom.

Cortani Interiors' extensive range of shower screens have been carefully curated to provide stylish, functional shower solutions for any bathroom design. Our expert consultants can provide you with support and guidance to select a shower screen that suits your style, and your budget. Our range of Jade shower screens are custom made right here in Australia and are installed by our expert technicians.

Slimline strong aluminium frame available in four finishes.

Select from two finger pull door knobs included as standard. Additional knob or handle upgrades available at an additional cost (see page 10-11).

Carefully engineered swinging pivot mechanism allows for smooth and seamless operation on entry.

Raised sills along the base of the screen and overlapping panels reduce water splash. Bottom door seals are also included.

Maya

SEMI-FRAMELESS SHOWER SCREENS

Maya

Maya shower screens have been architecturally designed with sleek lines and high performing, quality fixtures and finishes. Engineered for long lasting durability and seamless operation, the swinging pivot doors are encased in a semi-frameless shower enclosure. Choose from up to seven finishes, four different types of glass, and numerous knob or handle options to create the ultimate shower design for your bathroom.

Cortani Interiors' extensive range of shower screens have been carefully curated to provide stylish, functional shower solutions for any bathroom design. Our expert consultants can provide you with support and guidance to select a shower screen that suits your style, and your budget.

Our range of Maya shower screens are custom made right here in Australia and are installed by our expert technicians.

Glass Options

Easy Clean Glass Nano Coating: \$88/m².

Clear (Standard)

Ultra Clear Low Iron (Optional Upgrade, Added Cost)

Acid Etched (Optional Upgrade, Added Cost)

6 mm Narrow Reeded (Optional Upgrade, Added Cost)^

Selected models use a dual pivoting system allowing the door to open inside and out for added convenience.

Semi-frameless screens feature a slimline frame around the perimeter with a frameless door.

The overlap door configuration provides protection from water leaking out of the shower.

The inline door configuration has minimal lines for a streamlined and sleek look.

Selection Tip

For correct pricing, select the size that applies to the widest side of your shower space. For example, if your shower space is 900 mm x 1200 mm wide, then the 1200 mm price will apply.

Standard Knobs Included in price

Find custom upgrade options on pages 13-15 (added cost).

Maya Reeded glass shower screens

Maya shower screens are also available in 6 mm narrow reeded glass as a custom upgrade. Reeded glass provides extra privacy for your showering experience making it an excellent solution for family bathrooms. The vertical fluting adds another dimension to your bathroom design with its unique colour and effect on light.

Reeded glass is easy to clean with a flat surface on the inside. Fluting on the outside always runs vertically so dust can't collect on the surface and surface marks are concealed in-between cleans.

CORTANI®
INTERIORS

Frameless

SHOWER SCREENS

Frameless

Frameless shower screens will add refined style to your bathroom, modernising the space, while remaining unobtrusive in your overall design. By selecting a frameless screen, you can maximise the amount of natural light to create a spacious look and feel throughout the room.

While frameless screens make for an excellent design choice, they are also highly functional too. With no frame around the perimeter of your glass, there are no nooks and crannies for build-up to occur, making cleaning quick and easy.

Cortani Interiors' extensive range of shower screens have been carefully curated to provide stylish, functional shower solutions for any bathroom design. Our expert consultants can provide you with support and guidance to select a shower screen that suits your style, and your budget.

Our range of Frameless shower screens are custom made right here in Australia and are installed by our expert technicians.

10 mm Toughened Glass[^]

Frameless Polished Edge

Inward & Outward Swinging Door

Self closing from 25°

Australian Designed and Manufactured

Custom Made to Measure

7-Year Replacement Parts Warranty*

AS/NZS 2208 Compliant

*Includes 12 months labour when installed by Cortani Interiors.
^6 mm on selected swinging bath panels.

Super strong inward and outward swinging door hinges will provide long term durability for your shower screen. Self closing from an angle of approximately 25 degrees for smooth and silent operation.

Minimally designed wall brackets add strength without compromising style. Wall brackets for fixed panels can also be swapped out for a full-length wall channel at no extra cost.

Acid etched glass is a great solution for family bathrooms, adding some additional privacy to your showering experience.

The inline door configuration has minimal lines for a streamlined and sleek look.

Selection Tip

For correct pricing, select the size that applies to the widest side of your shower space. For example, if your shower space is 900 mm x 1200 mm wide, then the 1200 mm price will apply.

Frameless Reeded glass shower screens

All frameless shower screens can be ordered with 10 mm narrow reeded glass as a custom upgrade. Reeded glass provides extra privacy for your showering experience making it an excellent solution for family bathrooms. The vertical fluting adds another dimension to your bathroom design with its unique colour and effect on light.

Reeded glass is easy to clean with a flat surface on the inside. Fluting on the outside always runs vertically so dust can't collect on the surface. It is also great for concealing any marks on the screen in between cleaning.

Contact us for a custom quote.

Frameless Sliding Shower Screens

Beautifully designed, our range of frameless sliding shower screens will provide you with a standout piece for your bathroom. High quality, durable fittings and smooth sliding operation ensures optimum functionality. Configurations are versatile, suiting both inline or corner applications, and are especially suited for wide openings.

10 mm Toughened Glass

Frameless Polished Edge

Smooth Sliding Doors

Australian Designed and Manufactured

Custom Made to Measure

7-Year Replacement Parts Warranty*

AS/NZS 2208 Compliant

*Includes 12 months labour when installed by Cortani Interiors.

High quality, durable fittings ensure smooth sliding operation and years of satisfaction.

The optimum choice for our sliding shower screens, the flush fingerpull ring features a wide opening for ease of use and has been carefully designed to match the fittings along the top slider rail.

Minimally designed wall brackets add strength without compromising style. Wall brackets for fixed panels can also be swapped out for a full-length wall channel at no extra cost.

Acid etched glass is a great solution for family bathrooms adding some additional privacy to your showering experience.

Selection Tip

For correct pricing, select the size that applies to the widest side of your shower space. For example, if your shower space is 900 mm x 1200 mm wide, then the 1200 mm price will apply.
