Splashbacks

Whether you're looking for a unique design element for your space, or seek a fast and functional solution, we have an extensive range of glass splashbacks available – all custom made to suit your specifications.

Glass splashbacks are highly durable, easy to fit, and require minimal maintenance. With a vast array of creative colours and designs, you can design a beautiful interior space that will express your style.

The exceptional strength and durability of a glass splashback means it won't discolour from heat exposure and is highly resistant to incidental bumps and knocks. Easy to clean and stain-free, they make an ideal alternative to tiles and other wall coverings.

Prices shown are Recommended Retail Prices and include GST. Installation is included in the price for customers throughout South East Queensland and Northern NSW (Bundaberg to Coffs Harbour). Prices are subject to change or correction without notification. All information is provided on an E&OE basis (Errors and Omissions Excepted). Always check cortani.com.au for the latest, up-to-date product information. Images in this brochure are shown with accessories and/or other furniture which is not included in the price, and such products may not be available within our range.
Brochure updated: 01/02/2024.

Creative Freedom

Unlimited colour options give you full creative control over your space. Select from a vast range of Dulux colours, mirrored glass, or printed glass. We can even match to your specific colour sample or print an image* that you supply.

Germ Free, Easy to Clean

Glass is naturally non-porous and easy to clean providing superior protection against germs and bacteria. To make the glass even easier to clean, we can also apply our MaxiShield™ glass treatment that provides optimum resistance to grime and a super smooth surface.

Heat Resistant 6 mm Toughened Glass

Our 6mm toughened glass is heat resistant with no risk of discolouration or warping when installed in kitchen workspaces.

Installed by our Expert Technicians

Our highly skilled fully qualified technicians will install your splashback with ease ensuring precise fitment and quality workmanship.

Creativity with Colour

Unlimited colour options provide you with full creative control over your space. Simply select from the vast range of Dulux colours available. For an additional flat fee, we can also match to a specific custom colour sample to suit your project*.

Select from the full range of Dulux colours with the Dulux Colour Atlas.
dulux.com.au/specifier/colour/colour-atlas/

Easy Clean Glass Treatment

MaxiShield is a super thin nano coating applied to the glass at manufacture. This permanent clear coating is chemically bonded to the glass, resulting in a smooth surface that is highly resistant to corrosion, etching and staining. Water beads away and you can reduce your cleaning time significantly with MaxiShield treated glass.

*Physical colour sample must be supplied to Cortani Interiors for colour matching.

Painted Glass Gloss
